The Northeast Conference is pleased to announce it will be holding its 33rd Annual Continuing Education Program again this year at the fabulous Seaview Golf & Spa Resort. This year's Conference is subtitled: "**Hearing Healthcare: "Changing Times/ New Challenges"**" and promises to deliver up-to-the-minute current information with immediate relevancy to attendees for practice skills, product offerings, and legislative issues. The preliminary list of topics and speakers for this year's Conference are drawn from nationally recognized authorities and is sure not to be missed!

The 2012 Conference's preliminary list of subjects are as follows: "**Internet Sale of Hearing Aids: Fad or Future?**", National & State Professional Society Panel, and "**Combination Hearing Devices - Hearing Loss & Tinnitus Treatment**" - Industry experts and "**A Voice Activated Self Regulating, Balloon Ear Coupler**", Wayne Staab, PhD, and "**Grand Rounds - Cracker Barrel - What's New & What's It Do?**", manufacturer experts, and "**Tinnitus - Demystifying a Common Clinical Encounter**", Ted Venema, PhD, and "**Online Pharmacology Information For Audiology and Dispensing Practices**", Robert DiSogra, AuD,

This year's program is especially important to attend as we face health insurance companies and retail chains promoting the sale of online hearing healthcare like never before. For Hearing Health Care providers this brings forth new challenges and opportunities for Clinical Audiology and Dispensing practices. For the first time ever, representatives from all the state's major Audiology/Hearing Aid professional societies will convene to discuss our efforts to ensure that the people we serve receive quality care. This year's program will give attendees a direct interactive opportunity to discuss concerns and solutions with a variety of industry leaders.

This year's Conference promises to be fun as well as informative. By popular demand, we are returning to Seaview Golf and Spa Resort. On Wednesday we will have a golf outing with discounted greens fees, and we recommend you schedule a massage or beauty treatment early, before the prime spots fill! Thursday night, the Association will host our Annual Gala cocktail party. We'll be near Atlantic City's shops, restaurants and casinos, so plan on having a good time!

We will have door prizes, special events, and most importantly time to meet with colleagues and manufacturers to learn the latest that the field has to offer.

The Conference is expected to be approved for 1.0 CEU credits from ASHA and AAA, and 10 CEU credits from IHHIS. New York State Continuing Education Credits will also be available upon request.
