Member Resources

Connect with the public – help the hearing impaired find your practice!

Membership includes an online profile in a searchable directory on **NJAHHP.com**. Families are able to find the help they need from NJAHHP professionals through this member directory.

Advocacy

NJAHHP takes an aggressive approach to advocating on your behalf. Our government relations activities represent members' professional interests with legislation and regulation at the State level and build coalitions for allied support.

Monthly emails and updates

This communication includes news, information and tools for the NJ hearing healthcare professional straight from the source.

NJAHHP Annual Convention - Professional Networking, Vendors & CEUs

NJAHHP Conference attendees enjoy networking with fellow professionals, meeting top vendors and hearing from the leading experts in a resort setting. Attendees can earn Continuing Education Credits through the American Speech Language Hearing Association (ASHA), the American Academy of Audiology, and The International Institute of Hearing Instrument Studies (IIHIS).

The Robert P. Ahrens Memorial Fund

The Ahrens Memorial Fund was created in order to award scholarships and hearing instruments to worthy children within the State of New Jersey who might otherwise go without were it not for the generosity of the Ahrens Fund.
